Brushes: please bring some flats or brights in varying sizes, in addition to what you normally use! (I recommend Silver brush Bristol synthetic - brights sizes 4, 6, and 8, size 2 filbert for drawing. It is easy to clean.)

View Finder: Purchasing a plastic view finder from an art supply store is a great, small investment. A tool I use daily.

Canvases or other painting surfaces:

canvas panels (3-4), or any inexpensive painting surface 8x10 or 9x12.

I USE AMPERSAND GESSOBORD 1/8" THICK. I really like the surface of it. We use one canvas for each class.

I buy through dickblick.com or Jerry's Artarama. You can use Plaza or Michael's.

NOTE FOR ACRYLIC PAINTERS

Paint: Bring all the primary and secondary colors.
